THE ANNUAL FUND 2007-2008

www.adelphi.edu

Since 1896, Adelphi has grown from 57 students to over 8,300 students who are prepared for rewarding professions and richer lives.

What did you buy last year?

Rank all those purchases in order of importance. Hard to do? Just imagine how many items Adelphi bought to help create a truly personal college experience.

Institutional aid to 81 social work students

A new bone density machine for the Human Performance Science laboratory

Teaching spectrophotometers for the chemistry lab

Digital recording stations in the music lab

Alumni contributions to the Annual Fund help to make these and many other purchases possible. The Annual Fund is an **opportunity** to connect your **experience** at Adelphi with that of today's students. It's an opportunity to **participate**, and to help meet the financial needs of our thriving University.

Every year. Every day. Every one.

Timing is everything. The beginning of a new year at AU also marks the beginning of another Annual Fund. Every year, the percentage of alumni participation continues to increase. Every day the Annual Fund helps the University meet the needs of a vibrant and growing institution.

Right now, every donor who makes a first gift to Adelphi will help us meet a special time challenge...

...If 1,000 new donors participate in the 2007–2008 Annual Fund, an anonymous donor will add a \$100,000 gift. Your gift will have a powerful impact. For more information, please contact Jaime Farrell, Assistant Director of Annual Giving, at (516) 877-4689 or Farrell@adelphi.edu.
