

THE JOURNEY CONTINUES
EVERY YEAR. EVERY DAY. EVERY ONE.

Thank You

The Annual Fund 2008–2009

This past fiscal year, Adelphi was fortunate enough to have over 5,100 alumni, faculty, staff, and friends who, even in the midst of these uncertain economic times, showed their loyal support for the University.

Thank you for making Adelphi a priority.

Many members of the University community who contributed to this year's Annual Fund left their mark at Adelphi by buying bricks, engraved with names and memories. The completion of the first-ever "donors' circle" on campus is a visible symbol of all those who support the University, and a true celebration of everyone that gives at Adelphi.

The generosity the University felt this year is reflective of the overall spirit of Adelphi. You are part of a community of vast generosity, determined to see the University—past, present, and future—succeed.

While nobody can predict what the next year may bring, Adelphi's focus remains clear: to provide our students with a transformative educational experience.

YOUR CONTINUED SUPPORT OF THE ANNUAL FUND IN THE 2009-2010 FISCAL YEAR WILL ENSURE THAT OPPORTUNITIES REMAIN ENDLESS FOR ADELPHI STUDENTS, TODAY AND TOMORROW.
