

Long Island Families Together (L.I.F.T)

LIFT, a not-for-profit organization, is a parent run, family-driven voice for families of children and youth with social, emotional and behavioral challenges.

LIFT is seeking a compassionate and caring Executive Director who is an engaging, personable self starter, with a desire and willingness to work a flexible schedule.

Qualifications:

- Have a family member who has experienced mental health challenges
- Experience/management with non-profit agencies
- Strong organizational and leadership skills
- Planning and implementation of events
- Some college minimum. Associates or Bachelor's Degree or equivalent working experience in the Children's Mental Health system preferred
- Excellent written and oral communication skills
- Experience with community outreach and public speaking
- Good computer skills
- Track record in securing grants
- Experience with fund raising and securing contributions
- Some travel required for conferences and other meetings
- Some nights and weekends required

Part-time, four days per week, with possible full time and benefits potential

Salary high 30's to 40,000
