

Dear Jacob,

Where can your talented, high school aged instrumentalists spend 11 hot summer days playing cool jazz? In Garden City, New York, July 18-29, at Adelphi University's unique, residential, Pre-College Summer Jazz Intensive.

In Adelphi's new state-of-the-art Performing Arts Center, your students will receive mentoring from top jazz professionals, and will have an opportunity to strengthen and enhance their skills and artistry, build friendships with other dedicated musicians, get a taste of college life, and experience New York City on closely chaperoned trips, including one to a premiere Jazz venue.

It's not too late to apply! Click [here](#) to find out more.
