Speakers from Physical Education department did not show for the meeting. Two parents came specifically to hear them. Denee Rivera was at a conference, but two representatives from the CHAMPS/Life Skills program were supposed to come and discuss the program. Possibly due to threat of snowstorm, did not show.

There is a new Garden City ordinance prohibiting Adelphi traffic from using the local streets. All traffic is to use Nassau Boulevard. **[NOTE: Garden City rescinded this ordinance and traffic is now allowed down the side streets.]**

Former Adelphi student, Sean McGrath, was a recent winner of \$50,000 on Who Wants to be a Millionaire.

No word from Alumni Association on status of their parent letter, if it went out or not.

No word from Board member about the comedy show plans.

Meeting adjourned at 8:00pm. (It was starting to snow!)
