**Year:** \_\_\_\_\_

---

**Requirements**

**Please indicate your Psychology GPA (note, minimum of 3.30 required):** \_\_\_\_\_

**Completion or current enrollment in Psychological Research Methods:**

- I have completed Psychological Research Methods
- I am currently enrolled in Psychological Research Methods

Please indicate your instructor: \_\_\_\_\_

**Please check below to confirm that you understand the following requirements:**

- I will enroll in a first 3-credit Independent Study in Fall 2017 and a second 3-credit Independent Study in Spring 2018.
- I will (with funding from the university and support from the program) present my research at an academic conference, chosen by me and my Faculty Mentor.

**Additional Documents:**

- Provide on a separate page a brief statement (250 words maximum) indicating what you hope to gain from your enrollment in Emerging Scholars. Include information about the psychological topics of particular interest to you, as well as your career goals.
- Two completed recommendation forms, one from a professor from either the Psychological Statistics Course or the Psychological Research Course, and a second from another professor in the department. Have the professor submit these directly to Dr. McClure either by e-mail or a hardcopy to her mailbox in Blodgett 212. The form is here: <http://derner.adelphi.edu/psychology/undergraduate/student-research/>

## Faculty Mentor

An important part of the program is working with a Faculty Mentor. A list of available mentors is below. Please indicate from this list your top three choices, as well as the research interests that you have in common (refer to the faculty profiles, here: <http://derner.adelphi.edu/faculty/>), and whether you have previously had a class with or otherwise worked with the potential mentor. Every effort will be made to match you with one of these choices.

**Available mentors are:**

Dana Boccio	Dominic Fareri	Lawrence Josephs	Damian Stanley
Robert Bornstein	Katherine Fiori	M. Joy McClure	Kate Szymanski
Laura Brumariu	Nathan George	Michael Moore	Joel Weinberger
Jean Lau Chin	Jerry Gold	Michael O'Loughlin	
Jennifer Durham	Denise Hien	Carolyn Springer	

Potential Faculty Mentor	Common Research Interest(s)	Previous class or work together?

<b>2.</b>		
<b>3.</b>		

**It is important to get started on your project early. Please indicate how you will be available to meet with your mentor during Summer 2017:**

I will be able to meet with my mentor (check all that apply)...

- On campus, in person
- By phone
- Using Skype/Google Chat

**If you are a member of the Honors College:**

- I understand that I will need to discuss the relationship between my Honors Thesis and the Emerging Scholars project with my Faculty Mentor at the beginning of the project.
