TO TECHNOLOGY

ADELPHI
UNIVERSITY

Tech Services and Resources

it.adelphi.edu/catalog

AU2GO MOBILE APP

Access CLASS, Moodle, maintenance requests and more on your mobile device. Check out library resources, use the fitness center and pay at campus dining using your digital I.D.

GOOGLE APPS

Take advantage of unlimited file storage and other G Suite features such as Docs, Sheets and Slides.

WIFI

Register your device with **eduroam** to access the wireless network at Adelphi and member campuses. For gaming and streaming devices in residence halls, use the AU wireless network with the "gopanthers" key.

PRINTING

Our Pcounter system is installed in computer labs to manage each student's printing balance. You can also email your documents to printers from any device.

3D PRINTING

Consult with our staff to scan, edit and print a 3D project for personal or academic use.

TECH DISCOUNTS

Students are eligible for exclusive tech discounts via **adelphi.edu/offers**.

WORKSTATIONS, LABS & KIOSKS

Our general access and computer labs feature a variety of standard and specialty software. Kiosks are available around campus for quick tasks and Alicit kiosks in Swirbul help you locate library resources.

TUTORIALS, WORKSHOPS & TRAINING

Find video tutorials and technology guides at **it.adelphi.edu/guides**. Take an in-person tech workshop to enhance your skills—browse offerings at **it.adelphi.edu/events**. You also have free access to premium online training with **Lynda.com**.

DIGITAL PROMOTIONS

Use social media, web posts and/or eCampus banners to bring awareness to events and initiatives. Get details at **it.adelphi.edu/media-ads**.
