Valentine’s Workshop
Senate Committee on Teaching and Advisement

Discussion Questions:

1. What made you fall in love with your field/subject?

2. How did you come to choose teaching as a profession?

3. How do you bring the “passion” into your teaching/classroom?

4. What do you love most about teaching?

5. How can we evoke a love of learning in our students?

6. What can you do if your students “don’t love the stars”?

7. What are your favorite portrayals of teaching student relationships in TV, literature, history, visual arts or movies?

8. Do you have some “teaching tips” for sharing? Have you used any of our teaching tips in your classroom?
