BUILDING FOR CHANGE
sound management/strong governance/social impact

Application Process
To apply for Building for Change, grantees of the Hagedorn Foundation must complete the Application Form and submit a two-page written narrative.

Center staff will review the proposals and may call the organization for additional information or clarification. If selected, the Center Director will meet with the organization’s executive. The Center Director will conduct a brief needs assessment and recommend two potential consultants from the Building for Change team with the right mix of skills and experience to work with the grantee.

The grantee will interview the recommended consultants either in-person or by phone and make the final selection. The selected Lead Consultant will then set goals and develop a detailed work plan together with the organization. The Lead Consultant submits the goals, plan and budget to the Center Director, who oversees the overall Project (budget, implementation and ongoing project evaluation). The Lead Consultant, Executive, Board Chair, and Center Director will all sign-off on the goals and work plan. The Lead Consultant submits regular reports to Center staff in keeping with the confidentiality policy.

If approved, the type of management assistance initially requested may be modified once the Lead Consultant and the organization develop goals and a work plan together.

Application deadline: June 26, 2013.

Building for Change 2013 begins in July 2013.
