

Director of Girl Experience & Community Partnerships – Full-time

Does making a difference in the lives of girls interest you?

If so, then come be a part of an organization that has a solid history and a growing future – work for **Girl Scouts of Nassau County (GSNC)**. We are seeking a **Director of Girl Experience & Community Partnerships** to lead the Girl Experience and Community Partnership team ensuring that the Girl Scout Leadership Experience is being utilized Council-wide to support the growth, retention, and diversity of girl membership through a variety of avenues.

GSNC is the preeminent nonprofit youth organization serving girls in Nassau County. Over 18,000 girls learn leadership skills and the importance of community service through our programs that teach courage, confidence, and character in a fun and safe environment.

Use your management and program development experience to give girls a strong future – apply now!

The Director of Girl Experience & Community Partnerships is responsible for ensuring the implementation, delivery and assessment of a nationally consistent leadership development experience. She/he is responsible for the extension and continuance of quality programming and works collaboratively with other operational and organizational functions to support organizational mission, goals and strategic priorities.

Essential Duties and Responsibilities include:

- Ensure that quality, cost-effective programs are designed, developed, disseminated, and evaluated to measure program outcomes related to the Girl Scout Leadership Experience.
- Develop and ensure implementation of a comprehensive plan for delivery of the Girl Scout Leadership Experience to attract and retain girls and adults through the design, development and delivery of Council-wide program opportunities and volunteer support resources.
- Effectively use data to inform decisions and track progress.
- Collaborate with Fund Development to secure funding for program initiatives; monitor and ensure accomplishment of deliverables for all funded programs; and ensure all reports to funders are complete and on time.
- Oversee the operational aspects of the Girl Experience and Community Partnerships Teams, assessing the effectiveness of processes and procedures and leading the team in lessons learned and best practice sharing.
- Remain current and informed on youth-serving programs in order to apply that knowledge in program planning and collaborations with other organizations. With a special focus on STEM education and Critical Issues affecting girls.
- Actively represent and extend Girl Scouting - and the Girl Scout Leadership Experience - in the community through presentations, collaborative efforts, and networking.

Our Director of Girl Experience & Community Partnerships will need to have demonstrated experience in development of exceptional educational youth programs (including outcomes based programs), the ability to supervise and work with individuals of diverse backgrounds and ages, and leading/developing a team that provides an exceptional experience for our members. You will need excellent written and oral communication skills, strong interpersonal skills with some background in conflict resolution and excellent presentation skills with the ability to organize complex concepts to staff, volunteers and community members.

Essential Requirements:

- Demonstrated leadership in recruiting, developing and managing volunteers.
- Superior organizational skills.
- Ability to perform tasks that involve light physical activity which may involve some lifting, carrying, pushing of objects (20-25 pounds) and or standing for periods of time.
- Knowledge and understanding of Girl Scouting, the Girl Scout Promise and Law, beliefs and principles a plus.
- Ability to work a flexible schedule, which includes day-travel and regular evenings and weekends.

Qualifications:

- Graduate degree or equivalent credentials in social work, psychology, education or a closely related field, with a focus on human development and/or the needs of girls. Recent research and/or work experience with girls a plus. – MSW preferred in order to supervise Social Work interns.
- Minimum of three years demonstrated management experience.
- Fluency in more than one language a plus.
- Proficiency in Microsoft Office Suite including Outlook, Word, PowerPoint, and Excel, and familiarity with current social media tools (e.g. Facebook and Twitter). Proficiency with Salesforce or CRM tool a plus.
