October is Breast Cancer Awareness Month

Adelphi Breast Cancer Hotline: 800.877.8077

or Text: 516.262.3263

The Adelphi Breast Cancer Program is here to help, listen and support you and your family. If you or someone you love has been diagnosed with breast cancer, is experiencing difficulty navigating the health system, looking for vital community resources, or want to talk, please call us at: **800.877.8077** or text us at **516.262.3263**. Our licensed Social Workers, and trained volunteers are here to help you cope and are available from 9 AM to 9 PM 365 days a year. Calls to the hotline are answered in both English and Spanish. Support is a call or text away.

The STEP Program

The Adelphi NY Statewide Breast Cancer Hotline & Support Program was <u>awarded a significant</u> <u>five-year grant</u> from the <u>Centers for Disease Control and Prevention (CDC)</u> to initiate the **Survivorship, Treatment, Education and Peer Support (STEP) Program** which provides psychosocial support services and referrals to improve the quality of life for young women diagnosed with breast cancer, MBC patients and their families.

The STEP Program also provides educational workshops and forums, provider education and a video series.

Today, October 1st we are happy to share our **next video** in the STEP Program series. Breast cancer survivor **Chris Amatulli** opens up about her journey with honesty and courage, reflecting on the challenges she faced and the support she received from the Adelphi NY Statewide Breast Cancer Hotline & Support Program. Her story highlights the importance of compassion, resilience, and community in navigating life during and after breast cancer.

Later this month, **Wendy Kaplan, MS, RDN, CSO, CDCES, CDN**, a registered dietitian specializing in oncology nutrition, will discuss how personalized nutrition can support cancer treatment, ease side effects, and promote long-term health. From practical tips on meal planning and healthy cooking to the power of plant-based foods and key nutrients, Wendy offers guidance to help individuals nourish their bodies and live well during and after cancer.

This forum is free, however, you must register to attend.

*Once registered you will receive a confirmation email which includes the zoom link.

Join the Adelphi NY Statewide Breast Cancer Hotline & Support Program on Thursday, November 6, 2025 for an enlightening conversation with Dr. Ruby Sharma, an attending physician at the RJ Zuckerberg Cancer Center, whose

clinical practice is exclusively dedicated to the care of patients with breast cancer. Board Certified in Internal Medicine, Medical Oncology, Hematology, and Palliative Medicine, Dr. Sharma brings a comprehensive, compassionate, and evidence-based approach to cancer care.

In this session, Dr. Sharma will share her insights on several critical and often complex areas of breast cancer care, including triple-negative breast cancer, breast cancer diagnosed during pregnancy, and the importance of high-risk screening and early detection. She will also discuss how personalized, multidisciplinary care can improve outcomes and support patients through every phase of their journey.

Whether you're a healthcare provider, patient advocate, or looking to learn about advances in breast cancer care, this forum offers a unique opportunity to hear from a leading expert in the field.
