

ADELPHI UNIVERSITY

CAREER OUTCOMES SURVEY CLASS OF 2018

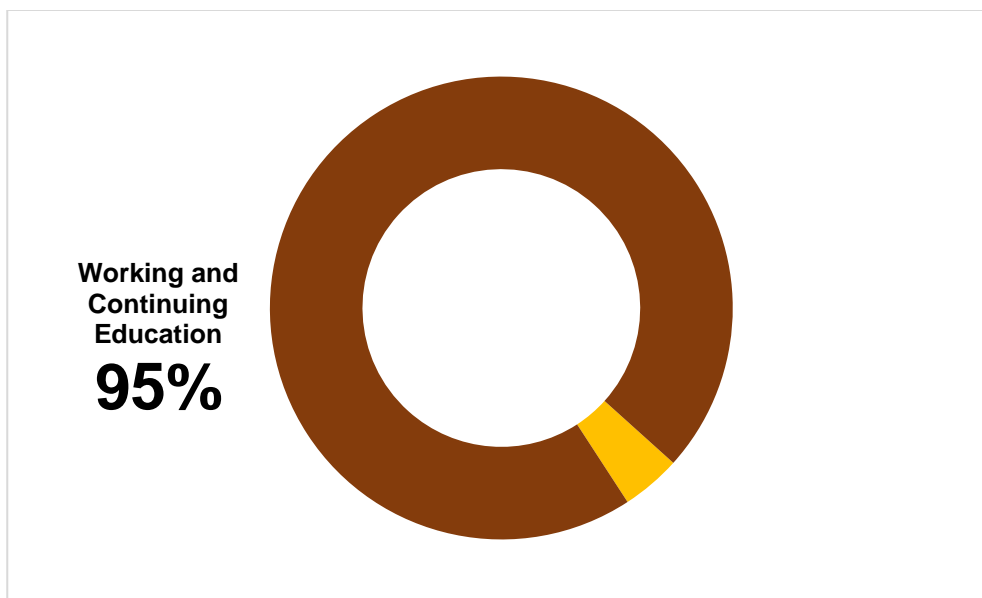

The Center for Career and Professional Development is collecting annual career outcomes via Graduate Outcomes survey to provide insight into the employment or continuing education status for Adelphi University undergraduates and graduates within an average of 6 months of their graduation date. Additionally, the data provides detailed employment information, salary statistics, and graduate school information. This reports examines career outcomes of 1,325 (770 undergraduates and 555 graduates) Adelphi University students who received their degree from December 2017–May 2018. Of those completed the survey, 95% of respondents reported either working (76%) or continuing education (19%) within six to nine months after graduation. The Class of 2018 career outcomes rate is 95%, almost 12% higher than the national average.

Career Outcomes Class of 2018

Career Outcomes	Number	Career Outcomes Rate
Working	1004	95%
Continuing Education	254	
Volunteering	12	5%
Seeking Opportunities	55	
TOTAL	1325	100%

Career Outcomes—the percentage of graduates who have landed in any of the employment categories plus continuing education divided by the number of students for whom an outcome is known, minus those graduate identified as not seeking as an outcome.

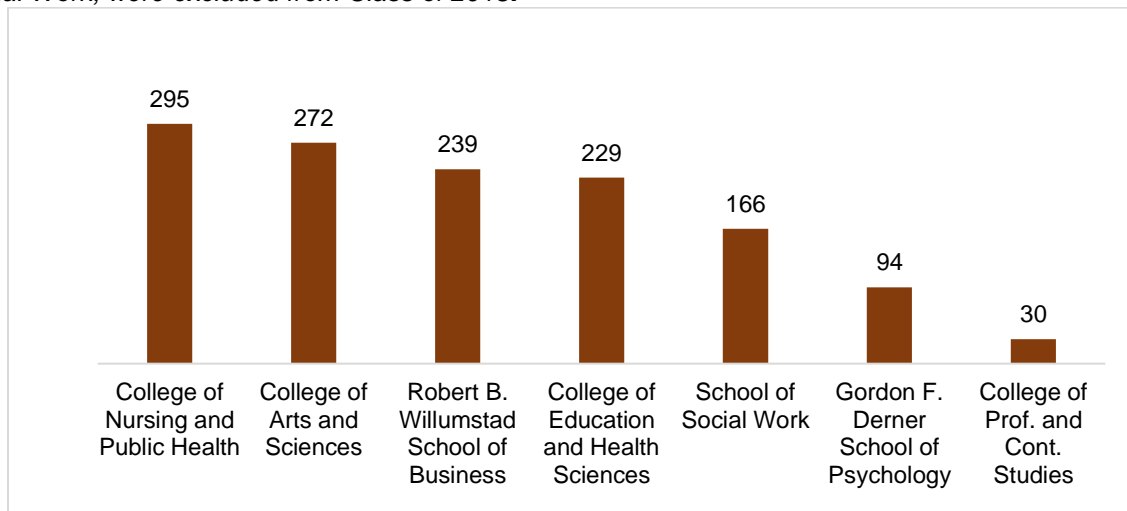

CAREER OUTCOMES SURVEY CLASS OF 2018

Respondents and Response Rate

Colleges / Schools	Undergraduates	Graduates	N	Response Rate
College of Arts and Sciences	242/328	30/30	272/358	76%
Gordon F. Derner School of Psychology	44/63	50/51	94/114	83%
College of Education and Health Sciences	71/83	158/317	229/400	57%
Robert B. Willumstad School of Business	131/141	108/162	239/303	79%
College of Nursing and Public Health	225/365	70/106	295/417	71%
School of Social Work	30/34	136/181	166/215	77%
College of Prof. and Continuing Studies	27/43	3/3	30/46	65%
TOTAL	770/1057	555/850	1325/1907	

In addition to 1325, 15 students who reported 'not seeking' as career outcomes; 2 undergraduates from College of Arts and Sciences, 1 undergraduate from Derner School of Psychology, 2 graduates from College of Education and Health Sciences, 3 graduates and 1 undergraduate from Willumstad School of Business, 4 undergraduates from College of Nursing and Public Health, and 2 graduates from School of Social Work, were excluded from Class of 2018.

Education Level	Number of students	Submitted	Response rate
Undergraduate Students	1057	770	73%
Graduate Students	850	555	65%
Total	1907	1325	70%

Degree Programs by Top Field, 240 responses

Another 20% data consist of other fields, including Physician Assistant, Finance, Mental Health Counseling, Nursing, Computer Science, Management, Optometry, Sports Management, Audiology, and Engineering. All of these fields have <3% students.

Summary and Conclusion:

- Results of this survey inform the University's progress in achieving Momentum's goal "to be relentlessly dedicated to student success" and more specifically, its key initiative "to prepare students for careers and lives of purpose".
- 1,325 graduating Class of 2018 completed the career outcomes survey, an increase of 56% from Class of 2017, generates 70% response rate.
- Within six months of graduation, 95% percent of respondents reported working, continuing their education, or volunteering approximately 6 months after graduation.
- The Class of 2018 career outcomes rate is 95%, almost 12% higher than the national average.
- Mean average annual salary for full-time employment for Class of 2018 increased from \$64,807 to \$69,561 compared to last year.
- Salary Comparisons:
 - \$62,895 – average annual base salary of 2018 baccalaureate graduates
 - \$72,247 – average annual base salary of 2018 grad students, compared to the national average graduate student salary of \$65,725
- Northwell Health, NYU Winthrop, NYC Department of Education, St. Francis Hospital and Catholic Charities were the top five employers.
- Healthcare, Education, and Non-Profit/Social Assistance were identified as top three job industries for Class of 2018.
- Asked to indicate the institution they were attending, respondents identified Adelphi University, Columbia University, New York University, Fordham University, and New York Institute of Technology most often.
- Forty percent of respondents used the Center's services during their time at Adelphi including resume review, Strong Interest Inventory, internship/job search, mock interview, on-campus recruitment, and job fairs.
