

**CONTENT SPECIALTY TEST (CST) LICENSURE SCORES BY EXAM
TAKEN BY STUDENTS IN INITIAL PROGRAMS**

NOTE: Each CST is revised individually by NYSED. The process began in 2016 and will continue through 2020. The safety net for the redeveloped CSTs operational after 2016 allows a candidate to choose to take either the Safety Net (old version) CST or the redeveloped CST until June 30, 2019. A new Multi-subject CST was created and will be available through June 2019. A passing score on the new or redeveloped CST exam is 520; whereas the passing score for the safety net CST exam is 220. Therefore, a total mean/range cannot be calculated.
