

**CONTENT SPECIALTY TEST (CST) LICENSURE SCORES BY EXAM
TAKEN BY STUDENTS IN ADVANCED PROGRAMS**

NOTE: Each CST is revised individually by NYSED. The process began in 2016 and will continue through 2021. The safety net for the redeveloped CSTs operational after 2016 allows a candidate to choose to take either the Safety Net (old version) CST or the redeveloped CST until **November 2020**. A passing score on the new or redeveloped CST exam is 520; whereas the passing score for the safety net CST exam is 220. Therefore, a total mean/range cannot be calculated.

Students who did not report their score to Adelphi, as evidence by the TEACH account, the score was not included in the mean/range calculations. These students were included in the N and percent passing.
