**EDUCATING ALL STUDENTS (EAS) LICENSURE SCORES
TAKEN BY ADVANCED PROGRAMS
2021 – 2024 Academic Years**

PURPOSE

This EAS exam is designed to assess if an individual possesses the professional and pedagogical knowledge and skills to teach **all** students (including students with disabilities, students in diverse populations, and English language learners) effectively in New York state public schools.

ADMINISTRATION

As a proprietary exam, EAS is administered by New York State Teacher Certification Examinations (NYSTCE) as a computer-based assessment.

INSTRUMENT

The Educating All Students (EAS) Exam is a computer-based test that assesses candidates' competencies on diverse student populations, English language learners, students with disabilities and other special learning needs, teacher responsibilities, and school-home relationships. Currently, there is a safety-net in place for the EAS that allows candidates to automatically receive a passing score of 500-519, instead of 520.

Exam competencies are aligned with CAEP, InTASC, and Culturally Responsive-Sustaining Education Framework standards.

VALIDITY AND RELIABILITY

The New York State Teacher Certification Examinations (NYSTCE) were validated in accordance with professionally accepted procedures for the validation of certification tests and was monitored by the New York State Education Department. Reliability is determined through repeated administrations of each exam. Estimates for reliability for all NYSTCE tests are typically in the range of 0.95 to 0.98.

ANALYSIS

Educational Leadership is the only advanced program required to take the EAS. The pass rate for Adelphi candidates seeking advanced certification was 100% for 2021-2022, 2022-2023, and 2023-2024 academic years. The pass rate was higher than the minimum threshold of 80%.
