### **EDUCATING ALL STUDENTS (EAS) LICENSURE SCORES TAKEN BY ADVANCED PROGRAMS 2022– 2025 Academic Years**

#### **PURPOSE**

This EAS exam is designed to assess if an individual possesses the professional and pedagogical knowledge and skills to teach **all** students (including students with disabilities, students in diverse populations, and English language learners) effectively in New York state public schools.

#### **ADMINISTRATION**

As a proprietary exam, EAS is administered by New York State Teacher Certification Examinations (NYSTCE) as a computer-based assessment.

#### **INSTRUMENT**

The Educating All Students (EAS) Exam is a computer-based test that assesses candidates' competencies on diverse student populations, English language learners, students with disabilities and other special learning needs, teacher responsibilities, and school-home relationships. Currently, there is a safety-net in place for the EAS that allows candidates to automatically receive a passing score of 500-519, instead of 520.

Exam competencies are aligned with CAEP, InTASC, and Culturally Responsive-Sustaining Education Framework standards.

#### **VALIDITY AND RELIABILITY**

The New York State Teacher Certification Examinations (NYSTCE) were validated in accordance with professionally accepted procedures for the validation of certification tests and was monitored by the New York State Education Department. Reliability is determined through repeated administrations of each exam. Estimates for reliability for all NYSTCE tests are typically in the range of 0.95 to 0.98.

#### **ANALYSIS**

Educational Leadership is the only advanced program required to take the EAS. The pass rate for Adelphi candidates seeking advanced certification was 100% for 2022-2023, 2023-2024, and 2024-2025 academic years. The pass rate was higher than the minimum threshold of 80%.
