

The DACA, International and Immigration Task Force

Notes from the September 15, 2017 Meeting

1. DACA and Immigration Town Hall
 - a. September 27th at 6:30pm in UC 201.
 - b. Panel: Roberto Martinez, Immigration Lawyer. Patrick Young, immigration law professor from Hofstra. DACA Recipient from Honduras. Need university representation.
 - c. Professor Laura Ankler from SUNY Old Westbury may bring DACA Students to participate in audience.
 - d. Need a voice from University for panel, perhaps Perry. If so, Sidney to open event with welcome remarks. Perhaps open event with email sent to AU community by President and Perry.
 - e. Working on getting Assemblyman Charles Lavine. This can generate a bigger audience. PG to reach out Monday morning. If Lavine agrees to attend, the president needs to be notified. Also, will president attend event?
 - f. Format: Narrative/short story. Q&A. Digital questions or on a card to be read off. Questions to be submitted to multicultural@adelphi.edu and row style seating. Resources presenters want presented will be placed on chairs.
 - g. Marketing: Event to be added to website and Adelphi Insider. Student working on flyer and will be done by Tuesday. Agreed that a campus wide email from CSI will have a stronger impact. Media coverage – Jason to contact Kali Chan.
 - h. LSA Immigration Panel on September 25: Do we want or should we merge events? President of LSA was emailed to discuss possibilities. Came to the conclusion that there is a clear distinction between both events. One is a panel vs. the town hall format which will present more opportunities for conversation.
 - i. Follow up event for staff/admin during the day for those who may not attend a 6pm event. Need to involve HR for permission. Perhaps HR can urge Directors to encourage staff to attend.
 - j. Change title event to DACA & Immigrant Rights Town Hall.
2. Confidential Allies - All members have been contacted. Doodle was sent to the Trainers of the program. Working on nailing down training and orientation dates for CA's.
3. Libguide – Discussion on how to promote information on guide and educate community.
 - a. Perry and Sidney to present information faculty senate meeting.
