GETTING STARTED

Where can I learn about the Student Health Insurance Plan (SHIP)?

Go to www.gallagherstudent.com/adelphi.

How do I log in?

1. Go to www.gallagherstudent.com/adelphi.
2. Under "Profile", click on LOG IN and enter your student login credentials.

ENROLLING IN MY SHIP

Am I eligible for student health insurance?

All domestic students living in Adelphi University residence halls and all international students are required to have health insurance. You will be automatically enrolled in and billed for the Student Health Insurance Plan unless proof of comparable coverage is received by the published deadline.

All registered non-residence hall domestic students are eligible to enroll in the Student Health Insurance Plan on a voluntary basis. Once you meet eligibility for the first 31 days from the effective date of your Plan, you are enrolled for the remainder of the coverage period. Home-study, correspondence and online courses do not fulfill this requirement.

How do I enroll?

1. Go to www.gallagherstudent.com/adelphi.
2. Log in using your student login credentials.
3. Click on the 'Enroll' button under 'Plan Summary'.

How do I enroll my dependents?

This plan does not offer coverage for your dependents.

Once enrolled, can I cancel and get a refund?

Yes, you can request to terminate the remainder of the coverage (and receive a pro-rated premium refund) in the following situations:

- You are entering the armed forces.
- You submit a request to Gallagher Student Health (www.gallagherstudent.com/adelphi) to cancel your coverage. If your request is approved, your coverage will terminate at the end of the month during which we received the request. Note: if your health coverage doesn't meet your school's waiver requirements, you will not be allowed to terminate coverage.

WAIVING THE SHIP COVERAGE

Am I eligible to waive?

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements. Waiver requirements include being enrolled in a health insurance plan that is fully-compliant with all provisions of the Affordable Care Act (ACA), requires you to have access to providers near campus and to have coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state HMO, your coverage will likely be limited—or not available—outside of your HMO's service area and will not meet your school's waiver requirements.

What should I know before waiving?

Before waiving coverage, review your current policy and then consider these questions:

- Is your plan fully-compliant with the ACA? This means services should include, but aren't limited to:
 - Preventive and non-urgent care (this includes most immunizations)
 - Prescription drugs
 - Emergency care
 - Mental health and substance abuse treatment
 - Surgical care
 - Inpatient and outpatient hospitalization
 - Lab work
 - Diagnostic x-rays
 - Physical therapy and Chiropractic Care
 - Immediate coverage for pre-existing conditions
 - No annual maximum benefits
- Does your plan's provider network have doctors and hospitals near campus?
- If you plan to travel elsewhere during the course of the year, does your coverage also extend to these areas?
- Is the annual cost of your SHIP less expensive than the deductible of your private plan? The cost of being added as a dependent to your parents' plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Does your current plan call for administrative pre-requirements, pre-certification, or primary-care physician referrals? Keep in mind that physician referrals may delay your access to treatment.

If you decide to waive coverage, you won't have another opportunity to enroll in SHIP until the following plan year unless you experience a qualifying event.

For more information about the ACA, visit: <https://www.hhs.gov/healthcare/about-the-aca/index.htm>.

What is comparable coverage?

Comparable coverage means your health insurance plan needs to meet your school's waiver requirements, which may include being fully-compliant with all provisions of the Affordable Care Act (ACA). See "What should I know before Waiving?"

Non-comparable health plans include:

- Those that only provide emergency services
- International plans (includes plans not filed in the US)
- Travel insurance plans
- Health care sharing plans (includes Christian Ministries & Liberty Health Share)
- Out-of-state Medicaid plans
- Out-of-State HMOs or EPOs
- Plans from insurance companies not located within the United States
- Prescription discount plans

How do I waive health insurance coverage?

1. Go to www.gallagherstudent.com/adelphi.
2. Log in using your student login credentials.
4. Click on the "Waive" button under 'Plan Summary'.

Will you audit or verify my waiver request?

Yes, we will audit or verify your waiver request. This is to make sure your insurance plan will cover you when you are at school. Here is how our waiver review process works:

- We check the insurance company information you entered on your form to make sure it's accurate and that your coverage is active.
- We verify most waiver requests within 1-2 business days.
- Once we verify your coverage, we'll email you at the address you provided on your form to let you know if your waiver request was approved or denied. If we deny your request, we'll tell you why. We'll also guide you should you wish to revise and resubmit your form and supporting documentation.

Can I edit my form after I've submitted it?

Yes, if it's before your waiver/enrollment deadline.

1. Go to www.gallagherstudent.com/adelphi.
2. Log in using your student login credentials.
3. Navigate to "Account Details".
4. Click "Edit Waiver".

Can I rescind my form after I've submitted it?

Yes, only if it's before your waiver/enrollment deadline.

1. Go to www.gallagherstudent.com/adelphi.
2. Log in using your student login credentials.
3. Navigate to "Account Details".
4. Click "[Click here to rescind your waiver](#)".

NOTE: Once waiver is rescinded, this action cannot be reversed.

If I waive, but then lose my coverage, can I enroll in SHIP?

If you waive SHIP and then lose coverage, you are able to enroll in the plan that you waived. Losing coverage is categorized as a Qualifying Life Event (QLE). Other QLE's are:

- Reaching the age limit of another health insurance plan
- Loss of health insurance through marriage or divorce
- Involuntary loss of coverage from another health insurance plan

To initiate the Qualifying Life Event process:

1. Go to www.gallagherstudent.com/adelphi.
2. Log in using your student login credentials.
3. Click on "Enroll-Qualifying Life Event".

May I use one of my state's health insurance plans to waive my SHIP?

If you live in the state where you are attending school and bought insurance through your state's marketplace, you may be able to waive your SHIP. Please review these plans carefully. Many of them will have a deductible greater than that of your SHIP. This will increase your out-of-pocket costs. Also, many of these plans are HMOs with restrictive provider networks. Look at its provider network to be sure that you'll have In-Network providers near your campus.

NOTE: Are you an international student? You typically aren't eligible to purchase a subsidized marketplace plan or a state's Medicaid plan may jeopardize your visa status.

ABOUT MY BENEFITS

What do my benefits include?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a wide range of medical services, including hospital room and board, inpatient and outpatient surgical procedures,

labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs.

It covers preventive care services at no cost when you use In-Network providers. This includes routine physicals and examinations, screenings, GYN examinations and most immunizations.

It pays for 80% of your medical fees when you use In-Network providers. This is the advantage to using in-network providers. When you use Out-of-Network providers the coinsurance is less which means your potential out-of-pocket costs are more. You will also be responsible for paying any deductibles and applicable office visit and prescription drug copayments.

- It has a \$150 per Insured, per policy year deductible for In-Network services and a \$300 per Insured, per policy year deductible for Out-of-Network services.
- It has a \$35 copayment for office visits
- Prescription drugs are covered for a 30-day supply after a:
- \$20 copay for a generic/Tier-1 drug,
- \$40 copay for a preferred brand name/Tier-2 drug,
- \$60 copay for a non-preferred brand name/Tier-3 drug.

Note: in some cases, prescription drugs may have a supply or quantity limit or require your doctor to get a Prior Authorization before you can pick-up your prescription. You can see review your plans' pharmacy list or formulary by visiting your school's page at www.gallagherstudent.com/adelphi.

Do I need a referral from my school's Health Services to see an off-campus health provider?

No, you do not need a referral. However, it's a good idea to see your on-campus Health Center first since they can connect you with valuable on-campus services or refer you to providers. For more information, visit your school's Health Services website at <https://health.adelphi.edu/>.

How much does my student health insurance cost?

Have changes been made to this year's plan?

No changes were made to the Plan for the 2022-2023 Policy Year.

Does my SHIP plan include dental and/or vision insurance?

If you are 18 or younger, SHIP provides preventive dental and vision benefits as required by the Affordable Care Act. Refer to your SHIP brochure or certificate of coverage for details.

Am I still covered if I live off campus? While traveling or studying abroad?

Yes, your plan covers you wherever you are. As long as you are enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24 hour Worldwide Travel Assistance, which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact UnitedHealthcare Global before making arrangements on your own. Otherwise these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.
