# Helping you save money on your medications

We know that keeping your out-of-pocket costs low is important to you and your family. That's why we've created Caremark® Cost Saver™, powered by GoodRx®, to help you save money on your medications.

### How Cost Saver works

Cost Saver makes sure you get the lowest possible cost for your prescription medications. All you have to do is present your member ID card when you pick up your prescriptions. We'll manage the rest for you by automatically applying the lowest available discount price.

### Cost Saver, powered by GoodRx, benefits include:

Providing you with the lowest available prices for many commonly prescribed, non-specialty generic drugs

Automatically applying your out-of-pocket costs to your deductible and out-of-pocket thresholds

Delivering you a seamless experience that avoids wasted time shopping around for the best price

**Your member ID card is all you need for Cost Saver to work for you.  
Just show it to your pharmacist and we'll take it from there.**
