

# Get to know PrimeCentral™

A one-stop app to manage all your meds

## When to use PrimeCentral

### To find savings any time

Get alerts about opportunities to save — and take action with a single tap.

### At your appointment

Search for meds and choose the best option with your provider.

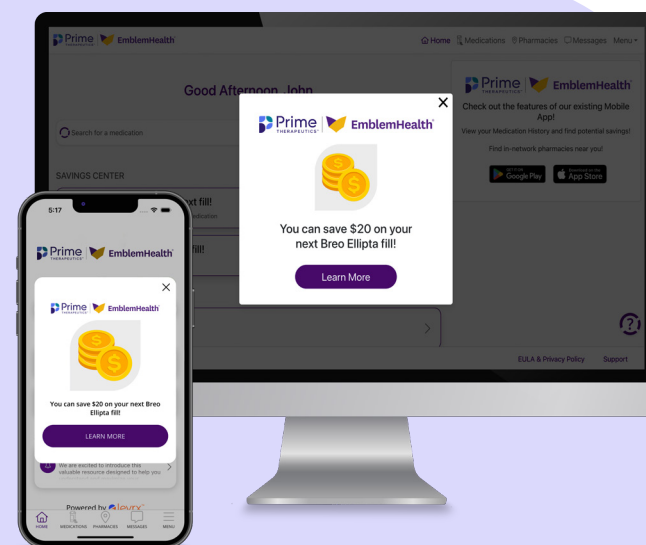

### Before heading to the pharmacy

Check prices and verify your coverage to help avoid surprises at your pharmacy.

Scan to download and turn on push notifications to get real-time savings alerts.

## How to log in through the EmblemHealth member portal

- Log in with your myEmblemHealth portal credentials.
- Click “Pharmacy” in the top purple menu.
- Click “Go to PrimeCentral.”
