

FINANCIAL REQUIREMENTS **2023-2024**

The student is responsible for meeting all expenses while attending Adelphi University. In order to receive the Form I-20 / DS-2019, the student must provide reliable documentary evidence of financial resources adequate to support all financial requirements. Funds may come from any dependable source, including scholarships, fellowships, loans, government sources, agency or business support, personal funds, or family funds.

Please note: This estimate includes the cost of attendance for one academic year (Fall/Spring) based on 12 credits per semester. Living expenses are based on a standard double room without air conditioning and the Scholar Meal Plan. Tuition and living expenses for summer and/or winter session are not included and will be additional. Tuition for the academic year is set by the board of trustees and is subject to change.
