## Checklist after receiving your Form I-20

### STEPS

This includes your name as it appears on your passport, your program of study, the length of study, your previous school’s name if you are a transfer student, country of birth, country of citizenship, date of birth and financial information. If anything is listed incorrectly, please contact International Services at isa@adelphi.edu immediately to make a correction.

After you review your document, immediately sign and date the student attestation.

**STEP 2: Register Your eCampus Account**

The Adelphi eCampus portal gives you secure access to online services in one location. Once you log in to eCampus, you can read your email, view your grades and much more. Setting up your account is your responsibility. No other individual is able to do this for you. See page 12 for more information on how to set up your account.

**STEP 3: Pay the SEVIS I-901 Fee**

Each international student issued an initial status Form I-20 is responsible for paying the required $350 SEVIS I-901 fee.

In order to pay the I-901 SEVIS fee, all prospective F students will need to provide their:

- **Name, address, date of birth and email address**
- **Country of birth and country of citizenship**
- **School Code as listed on the Form I-20 Certificate of Eligibility for Nonimmigrant Student Status**
- **SEVIS Identification Number as listed on the Form I-20**

This required fee must be paid electronically via fmjfee.com. SEVIS I-901 Frequently Asked Questions:

- **Who is responsible for paying this fee?**
- **All students issued a Form I-20 who are traveling to the United States to engage in academic study.**
- **How do I pay the fee?**
- **This fee must be paid by the student electronically via fmjfee.com. This fee cannot be paid to the University or at the consulate.**

**STEP 4: Complete the F-1 Visa Process**

All nonimmigrants coming to the United States for the purpose of studying must obtain an F-1 student visa necessary for travel to the United States. F-1 student visas can be issued up to 120 days in advance of your course of study start date. This document can be acquired at the nearest U.S. embassy or consulate in your home country or residence and is placed in your valid passport. International travelers who are citizens of Canada or Bermuda and meet all necessary requirements are eligible to travel to the United States without a visa.

- **If you have a valid F-1 visa which lists the same SEVIS ID indicated on your Adelphi University-issued Form I-20, you will not need to file for a new F-1 visa.**
- **If you have a valid F-1 visa which lists a different SEVIS ID than is indicated on your Adelphi University-issued Form I-20, you will need to contact the U.S. consulate to determine if this visa is valid and eligible for entry to the United States along with your currently issued Form I-20.**

**Information on Filing of an F-1 Visa**

- **Visit travel.state.gov for detailed information on this process.**

**Visa Wait Times**

- **Visa wait times for interview appointments vary by location and season, so you should apply for your F-1 visa early.**
- **Review the interview wait time for the location you will apply for your visa here: travel.state.gov/content/travel/en/us-visas/visa-information-resources/wait-times.html (Visa Appointment Wait Times)**

**Complete the Online Visa Application**

1. Complete the online visa application.
2. Print the application form confirmation page to bring to your interview.

**Schedule Visa Interview**

- **Students should schedule an appointment for your visa interview at the U.S. embassy or consulate in the country where you live. You may schedule your interview at another U.S. embassy or consulate, but be aware that it may be more difficult to qualify for a visa outside of the country where you live.**
- **Visit usembassy.gov for a full list of websites of U.S. embassies, consulates and diplomatic missions.**

**Required Documentation for Your Visa Appointment**

You should have the following required documents prior to your visa interview:

- **Passport valid for travel to the United States. Your passport must be valid for at least six months beyond your period of stay in the United States.**
- **Nonimmigrant Visa Application, Form DS-160, confirmation page**
- **Application fee payment receipt, if you are required to pay before your interview**
- **Photo: You will upload your photo while completing the online Form DS-160**
- **Certificate of Eligibility for Nonimmigrant (F-1) Student Status, Form I-20**
- **Additional documentation may be required.**
Additional documents may be requested to establish your qualification. Be prepared to present the following documents at your visa interview:

- Transcripts, diplomas, degrees or certificates from schools you attended
- Scores from tests required for admission, such as the TOEFL
- Standardized test scores required by your U.S. school
- Your intent to depart the United States upon completion of the course of study
- How you will pay all educational, living and travel costs

Preparing for Your Visa Interview

In order to secure a student visa, applicants must be able to demonstrate the following at their visa interview:

1. Acceptance to a SEVP-certified institution, as demonstrated by the issuance of an original Form I-20,
2. Proficiency in the English language,
3. Evidence of financial resources sufficient to cover tuition, living expenses and additional costs as designated on the Form I-20 or DS-2019, and
4. Evidence of intent to return home upon completion of the academic program.
5. If you are unable to provide verbal or documentary evidence to support these factors, you risk having your student visa denied.

The visa interview is a conversation, not a document review session. As the applicant, it is recommended that you clearly articulate the following during your appointment. You should practice and be comfortable with these questions prior to your visa interview. Also important, as for any first conversation, is to dress nicely and smile.

- Why do you want to go to Adelphi University?
- What do you plan to study?
- How do you plan to use your education when you return?
- Who will sponsor your education?
- What are your plans after finishing the degree?

Dependents of F-1 Students

Dependents of an F-1 student will be issued an F-2 visa if they are accompanying or joining the F-1 student. You must be able to show that sufficient funds are available to cover the entire family’s living expenses.

Attend Your Visa Interview

A consular officer will interview you to determine whether you are qualified to receive a student visa. You must establish that you meet the requirements under U.S. law to receive a visa.

- After your visa interview, the consular officer may determine that your application requires further administrative processing. The consular officer will inform you if this is required.
- After the visa is approved, you may need to pay a visa issuance fee (if applicable to your nationality) and make arrangements for the return of the passport and visa to you.
- If your visa is denied, the consular officer will provide you with a written and verbal reason why the visa was denied. You can choose to file a second time for your F-1 visa. Common reasons for F-1 visa denials include the following reasons:
  - Lack of financial resources
  - Insufficient showing of intent to return home
  - Failure to pass the security check
  - Denial based on inadmissibility

Contact International Services

Once you have completed the F-1 visa process, please email International Services at is@adelphi.edu to inform the Designated School Official of the decision.

Make Travel Arrangements

When You Can Enter the United States

Once your visa has been secured, prepare your travel arrangements.

- The Form I-20 lists your program start date and the earliest admission date you can enter the United States, which is 30 days prior to your program start date.
- If your Form I-20 has been issued as a transfer pending or change of educational level I-20, you do not need to adhere to the 30 days and can enter the United States earlier.

U.S. Entry Required Documents

You are expected to have the original Form I-20 with ink signature on hand as you enter the country. Do not pack it away in your suitcase. A U.S. Customs and Border Protection officer will instruct you to present your Form I-20 at the port of entry.

When you arrive, you must have the following documents in your possession:

1. Valid passport for at least six months in the future
2. Original SEVIS Form I-20
3. A valid F-1 visa
4. Adelphi Letter of Acceptance
5. Documentary evidence of financial support as indicated on the Form I-20

5. Documentary evidence of financial support as indicated on the Form I-20
STEP 7
Arrive to Campus
Once you arrive to campus, you will be required to participate in Orientation, comply
with mandatory regulatory procedures, move into your on- or off-campus housing, and register
for classes at this time.

STEP 8
Complete Immigration Check-In
Prior to the program start date listed on your Form I-20, all students issued a new Form I-20
are required to complete the immigration check-in. This process can be completed through
the International Services portal located in your eCampus account.

Each student will be responsible for uploading the following documents prior to the
program start date in order to be registered as an active status student in SEVIS:
• I-94 arrival document, which can be retrieved from i94.cbp.dhs.gov
• Valid passport
• F-1 visa
• Signed Form I-20
• Any previous Form I-20 documents issued to you
• Emergency contact information
• Local physical address
• Telephone number

STEP 9
Enroll in a Full Course of Study
International students are required to enroll in a full course of study each fall and spring
academic semester in order to maintain valid F-1 status. Students who are required to enroll
in summer courses as required for their academic program must enroll in the Summer
Session as a full-time student as per individual program requirements.

Full Course of Study Requirements
• Graduate students: 9 graduate credits
• Undergraduate students: 12 undergraduate credits
• Academic English students: 18 clock hours
• Master’s Accelerator Program students: 12-13 contact hours and 3-6 credits
• Advanced Master’s Accelerator Program students: 13 contact hours and 6 credits
• Academic Accelerator Program students: 13-16 contact hours and 10-13 credits
• Extended Accelerator Program students: 13-19 contact hours and 3-13 credits

Online Coursework
• Students in degree-seeking programs are eligible to enroll in online courses
when applicable. However, no more than the equivalent of one class or 3 credits
per semester may be counted toward the full course of study requirement if
the class is taken online or through distance education and does not require the
student’s physical attendance for classes, examination or other purposes integral to
completion of the class.
• Students in Pathway and Language Training programs may NOT consider an online
course to count toward a student’s full course of study requirement.

STEP 10
Maintain Valid F-1 Status
While studying in the United States, it is the responsibility of the individual visa holder to
maintain valid status assigned at the port of entry and determined by the visa classification,
which includes:
1. Fulfilling the purpose for which the U.S. Department of State issued the student visa
2. Following the regulations associated with that purpose

The DSO is located in the International Services office located in Post Hall, Room 203, and
can be reached by emailing is@adelphi.edu or by telephoning 516.877.4990. Students may
contact SEVP by email at sevp@ice.dhs.gov if the DSO is not able to assist or if the student
seeks additional guidance.

Arrival Requirements
• After arrival at school, the student must contact the DSO, no later than the program
start date listed on the Form I-20, by emailing is@adelphi.edu.
• The student must complete the immigration check-in through the International
Services Portal, located in eCampus, in order to have their SEVIS record registered.

Education Requirements
• While studying in the United States, international students must attend and pass all
classes. If school is too difficult, speak with your DSO, located in International Services,
immediately.
• If the student believes that they will be unable to complete their program by the end
date listed on the Form I-20, request a program extension through the International
Services Portal prior to the program end date listed on the Form I-20.
• International Students must enroll in a “full course of study” each academic semester
except during official school breaks, or unless approved under a specific exception,
in advance, by the DSO.
• Do not drop a class without first speaking with your DSO.

Employment and Practical Training
A student may only work when authorized by a DSO in some cases, and U.S.
Citizenship and Immigration Services (USCIS) in others.
• If a student chooses to work without authorization, the student will be forced to leave
the United States immediately, and may not be able to reenter the United States at a
later date.
• F-1 students are eligible for curricular practical training (CPT) at either the undergraduate
or the graduate level during the program of study. CPT employment must be an integral
part of an established curriculum and the position must directly relate to your major area
of study. The DSO can provide the school’s policy on this option.
• F-1 students are also eligible for optional practical training during or following the
program of study. OPT is a form of temporary employment that directly relates to
the student’s program of study.

Upon Program Completion
• Once the student completes the program of study and any authorized period of
practical training, F students have 60 days after completion of the program (the
program end date on your Form I-20) to leave the United States.
• For students who wish to extend their stay in the United States, they must speak with
the DSO to learn more about doing one of the following:
  • Transfer to another school.
  • Change the education level (e.g., bachelor’s to master’s degree).
  • Apply to change status.
• Report a change of address to the DSO within 10 days of the change, so that SEVIS can
be updated.

SAFETY FIRST

Adelphi University has been ranked one of the safest campuses in New York State, and one of the 50 safest campuses in the United States.

Colleges and universities are required under federal law to publish and make available an annual campus security report, which includes, among other information, statistics on campus crime. Adelphi University’s annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Adelphi University; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, emergency response plan, timely warnings, fire statistics, missing students and other matters. The advisory committee on campus safety will provide upon request all campus crime statistics as reported to the United States Department of Education. You may obtain a copy of this report by contacting the Department of Public Safety and Transportation, Levermore Hall, Suite 113, 516.877.3500, or by accessing safety.adelphi.edu.
