(nine-month budget)

Please note: The student is responsible for meeting the cost of attending Adelphi University. Scholarships are available on a very limited basis and allocated during the admission process.

- The housing fee estimate is for the fall and spring semester only and is determined based on the standard double room without air-conditioning. Additional room categories are available between \$9,300 and \$18,650.
- Intersession housing, which includes the time between the last day of classes for the fall semester and the first day for the spring semester, is available at an additional cost estimated between \$40 and \$66 per day.
- Summer housing is available for enrolled students at an additional cost estimated between \$60 and \$66 per day.
- The meal plan estimate is determined based on the Panther Scholar Plan, which includes 250 meals, \$150 Panther dollars and eight guest swipes. Additional meal plans are available based on your need from \$4,030 to \$6,080.
- Medical insurance charges are an estimated \$3,044 per year. This is only an estimate and subject to change.
