Your College Financing Plan provides an estimated overview of the cost of attendance and your financial aid for one year at Adelphi University. Please use the below guide to help you understand the breakdown of your potential expenses and the financial aid you will receive.

Please note, your College Financing Plan is contingent upon the information Adelphi University receives from the federal government. We have used the most recent Student Aid Index (SAI) calculated directly from your original 2024-2025 FAFSA submission.

This is not a bill; rather an estimate to help you understand what you may have to pay to Adelphi.

If your housing status or the amount of credits you're taking changes, this may affect your financial aid. Please contact the One-Stop Student Services Center with any changes.
