DO

Keep it clear. Keep it safe.

- ✓ Keep hallways, stairwells and exit paths clear at all times.
- ✓ Keep fire doors closed (not propped) and unobstructed.
- ✓ Remove prohibited appliances and unsafe electrical setups.
(i.e. hot plates, extension cords, power stripes, heaters, candles, tapestries, etc.).
- ✓ Report damaged or missing fire/life safety equipment.

DON'T

These can create a hazard.

- ✗ Don't store boxes, equipment, or items in hallways or exits.
- ✗ Don't hang flammable items (i.e. tapestries, banners) to walls, ceilings or fire equipment
- ✗ Don't store items within 18 inches of ceiling or fire sprinkler heads
- ✗ Don't store combustible materials in unapproved areas.
- ✗ Don't cover smoke heads or other fire equipment.

FIRE SAFETY IS EVERYONE'S RESPONSIBILITY.
REPORT IT. DON'T IGNORE IT.
