

## OUR *Five* KEY COMMITMENTS

AS A CHILD CARING AGENCY ARE:

1

*No child we come into contact with will be left to struggle alone with abuse or neglect.*

2

*No family who needs and wants help to keep their children safe will be left without the help it needs.*

3

*Every child we come into contact with will get the help she/he needs to be healthy and achieve her/his full educational and developmental potential.*

4

*No child in our care will leave us without a caring, committed, permanent family.*

5

*Every team member at Children's Services and each of our partner agencies can expect guidance, respect and emotional support to achieve our goals. Every child, family, community member and foster parent we come into contact with will be treated with concern and respect.*
