This conference is an outstanding opportunity for community members to connect students with exceptional alumni and industry leaders. A conference where women partake in compelling dialogue to transfer knowledge and wisdom to students in a rapidly changing world.

Adelphi's commitment to the advancement of women in diverse field does not go unnoticed. We recognize the role the conference's panels and sessions with female industry leaders plays on female students branching into various careers. Through numerous leaders and keynote speakers, Juju Chang and Kindra Hall, students gain valuable insights.
