March 28, 2026

Dear President Storm,

Today, Adelphi University welcomes innovators, leaders, and trailblazers to celebrate strength, resilience, and boundless potential during its 2026 Women's Leadership Conference. From keynote addresses by best-selling author and leadership expert Nataly Kogan and award-winning actress and activist Monique Coleman, to the women sitting beside you, each person here has a unique story to share, forged by navigating the world as women. This event will inspire the confidence to own those stories while sharing messages of strength and resilience.

As we embark on this transformative journey together, let us seize the opportunity to learn from one another, amplify our voices, and champion each other's successes. Look around this room and remember that you are not alone. With one another's support, we are stronger, and we have the foundation necessary to navigate a world that can often be challenging for women.

On this joyous day of insightful collaboration, I thank the Adelphi University campus community for once again hosting this conference and express my gratitude to each of you for being here today.

Sincerely,

Monica R. Martinez
New York State Senator
Fourth Senatorial District
