

**Graduate Program in Infant Mental Health-Developmental Practice
Current Graduate Students Application Form and Process**

1. Application cover sheet
2. Current resume
3. A copy of your undergraduate (if multiple schools, please include all locations) and graduate transcript (unofficial)
4. Letter from current degree program director that describes your strengths and vulnerabilities, and confirming you are on track for successful completion of the current year
5. One letter of recommendation from a first year instructor
6. One letter of recommendation from your current clinical supervisor (Students who are not yet in the field, please substitute a letter of recommendation from a different instructor).

or

- One letter of recommendation from a current or previous employer in which you worked with children and families. Your employer would need to address your role, experiences and competence with children and families.
7. Statement about your interests, what you hope to gain from this program, how you feel you can contribute to the program, and any other information that you believe can help us determine if you are a good fit (max. 3 pages)

Please note: Please have letters of recommendation sent directly to Project Manager. Applications will not be considered until all materials are submitted. Questions with an * (asterisk) are required questions for reporting demographics to the Federal Government. This information will *not* be used for anything other than reporting demographics to the Federal Government.

Applications are accepted on a rolling basis with the next cohort of students beginning June 2018
